	Often	Sometimes	Rarely	Never
1. About how often do you and people in your neighborhood do favors for each other?				
2. When a neighbor is not at home or on vacation, how often do you and other neighbors watch over their property?				
3. How often do you and other people in the neighborhood ask each other advice about personal things such as child rearing?				
4. How often do you and people in your neighborhood have parties or other get-togethers where other people in the neighborhood are invited?				
5. How often do you and other people in your neighborhood visit in each other's homes or speak with each other on the street?
